### TARGET AUDIENCE:

This continuing medical education offering is intended to meet the needs of all physicians, nurses, pharmacists, respiratory therapists and other providers who care for critically ill patients.

### LEARNING OBJECTIVES:

- Review the current data on decreased sodium levels as a prognostic marker of poor outcomes in the hospitalized critical care patient
- Discuss the safety, efficacy, and role of current and emerging pharmacotherapies for managing serum sodium levels
- Evaluate the optimum management of the critical care patient with decreased serum sodium

Society of  
Critical Care Medicine  
The Intensive Care Professionals

### PROGRAM SPEAKERS:

**Denise H. Rhoney, PharmD, FCCM**

Associate Professor  
Department of Pharmacy Practice  
Wayne State University Eugene Applebaum  
College of Pharmacy & Health Sciences, Detroit, MI

**Andrew Shorr, MD**

Associate Section Director, Pulmonary Critical Care  
Washington Hospital Center  
Associate Professor of Medicine  
Georgetown University, Washington, DC

**Jose Javier Provencio, MD, FCCM**

Assistant Director, Neurocritical Care Program  
The Cleveland Clinic, Cleveland, OH

### ACCREDITATION STATEMENT

**PHYSICIANS:** This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of the Society of Critical Care Medicine (SCCM) and CME-University. SCCM is accredited by ACCME to provide continuing medical education for physicians.

### DESIGNATION STATEMENT:

The Society of Critical Care Medicine designates this live educational activity for a maximum of 1.5 **AMA PRA Category 1 Credits™**.

Physicians should claim credit commensurate with the extent of their participation in the activity.

**NURSES:** SCCM is approved by the California Board of Registered Nursing, Provider No. 8181 and approves this panel for 1.5 contact hours.

**PHARMACISTS:** The Society of Critical Care Medicine is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education. This Panel Discussion will provide 1.5 continuing education hours.
